**Wantapreneurship
is a disease!**

Symptoms

#1

**Waiting for the right
idea!**

#2

**Waiting for the right
time!**

#3

Waiting for funding!

#4

**Using entrepreneurial
hopes as a stress
reliever**

#5

**Believing that
Facebook
(and the big kids)
just got lucky**

#6

**Spending more time
attending
entrepreneurship
events and tweeting
about it instead of
working on it**

Causes

#1

Fear of taking risks!

#2

**Hopes to combine the
best of all worlds**

#3

**Believing that success
is mostly about luck**

#4

Lack of stamina

#5

**Surrounding yourself
with other
wantapreneurs**

#6

**Believing that ONLY
those who start big,
stay big**

#7

**Desperate trials to
achieve work-life
balance**

#8

Lack of discomfort

Treatment

#1

**Make a commitment,
NOW!**

#2

Make mistakes

“A life spent making mistakes is not only more honorable but more useful than a life spent doing nothing”

– George Bernard Show

#3

**Be friends with other
successful
entrepreneurs**

#4

Find a lever

#5

**Surround yourself
with opposition, so
that you keep
questioning your
actions all the time**

#6

**Build a team, and
learn how to
maintain it**

#7

Be rounded

#8

**Seek value creation
first, then seek
monetizing it**

#9

**Spend less time on
your PC, and more
time with people**

#10

**Hard work is not
enough.**

#11

Days end,
but work never does!

**Are you a
wantapreneur?**

**Entrepreneur =
Wantapreneur + ?**

**Are you a
wantapreneur?**

**Entrepreneur =
Wantapreneur + Action**

“The best way to make
your dreams come true is
to wake up”

– Paul Valery
